Docket No. 98N-126505 '99 APR 28 AIO:15
Food and Drug Administration
5600 Fishers Lane
Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: My compounded natural hormones
have been the only hormones that I can
tolerate. Fortunately this has enabled me
to avoid a hysterectomy.
